REFORM ACT OF 1986 ON THE RATES)	CASE NO. 9779
OF KENTUCKY POWER COMPANY)	

O R D E R

On July 21, 1987, the Commission issued its Order in this proceeding granting the petition for rehearing of Kentucky Power Company ("Kentucky Power"). The rehearing granted Kentucky Power pertains to the method of treating customer advances and contributions in aid of construction.

The Commission, on its own motion, has initiated Administrative Case No. 313¹ to further explore the effects the Tax Reform Act of 1986 has on these items and the manner in which these effects should be handled.

Since the rehearing granted Kentucky Power in this proceeding and Administrative Case No. 313 will address the same issues the Commission is of the opinion that the rehearing granted Kentucky Power should be incorporated into the hearings to be set for Administrative Case No. 313.

IT IS THEREFORE ORDERED that Kentucky Power's rehearing granted by the Commission by its Order dated July 21, 1987, in

¹ The Effects of the Tax Reform Act of 1986 on Contributions in Aid of Construction and Customer Advances.

this proceeding be and hereby is incorporated into Administrative
Case No. 313.
